Edubuntu?

There was no 16.04 release.

They are continuing to support 14.04 release until EoL in 2019.
Tablets and Phones
Ubuntu on Phones, Tablets

• First “convergence” tablet, released by bq, the Aquaris M10 (demo!)

• OTA-11 came out, bringing a lot of bug fixes and stability to the platform

• OTA-11 across many devices, including the 2013 Nexus 7 (demo!)

Ubuntu Desktop and Server
Ubuntu 16.04 Features

Amazon search off by default

(hooray!)
